Stepped tubular galvanised steel columns

Stepped tubular galvanised steel columns supplied with wooden baseboard for mounting cable connection accessories.

- Stepped tubular galvanised steel columns, to BS EN 40-2:2004
- Mounting accessories are hot dip galvanised to BS EN ISO 1461:2009
- Supplied with wooden baseboard for mounting cable connection accessories
- Accessories are easily fixed with stainless steel grub screws and have an internal stop to ensure cable exit

Notes: Columns are delivered to site at a pre-arranged time. An off-loading service is not included and it is the responsibility of the client (or client's agent) for the safe undertaking of this requirement. A fork lift truck is recommended to minimise manual handling. Unless otherwise stated, Columns will be supplied as a unit only - any additional items such as cut-outs or fuses will need to be quoted as extras. Please advise at point of quoting of any special requirements.
