## Pendant luminaires with hand-spun steel reflector and replaceable LED lamp

The Thorlux Traditional is a vintage-styled, handcrafted pendant luminaire.

This beautiful pendant luminaire is inspired by 1930's designs that helped to establish Thorlux Lighting's reputation for quality. Thorlux Traditional is hand-spun using the same machines and techniques Thorlux used nine decades ago, creating a luminaire with the look and feel of the classic design. These vitreous enamelled steel luminaires are available in either ivory or British racing green finishes. The light source is a replaceable LED lamp available in a warm 2700 K or a very warm 2200 K.
